The meeting was called to order at 1:30 p.m. by Clare Donahue.

Approval of minutes – Clare Donahue, DIS

The minutes from April 5, 1999 were approved.

1999 – 2001 Biennial Integration Blueprint – Paul Taylor, DIS

Paul introduced Tom Wilson from R&G Associates who worked with DIS and members of the CJIA to create the blueprint document. Tom stated the scope document that was created by the CJIA was used as a basis to determine the goals and missions that should be included in the blueprint. The blueprint has been approved by the CJIA. After review by the JIC, the 1999-2001 Biennial Integration Blueprint was adopted unanimously.

JIN/IGN Status Report - Mike McVicker, DIS

Mike McVicker provided a PowerPoint demonstration on the Intergovernmental Network. Mike stated that negotiations were taking place to determine the amount it would cost for counties and cities to be connected to the IGN. In August, draft service level agreements were sent to the cities and counties for their review. The new charge would not be implemented until January 2000.

Status Report on the Enterprise Funding Proposal to U.S. Attorney General Janet Reno -

Dennis Hausman, DIS - Dennis reported to the committee that the Department of Justice will be requesting additional information from the state regarding this proposal. Dennis will bring any available information to the next JIC Meeting for discussion.

Updates/New Business

WSP Radio Interoperability - Commander Lopez provided information and a video regarding the issues surrounding radio interoperability. The issue was brought before the Information Services Board (ISB) at their July meeting and the ISB has referred the issue to the JIC for resolution. The chair created a sub-committee and appointed Clark Palmer from the Washington State Patrol as Chairman. At the request of Clark Palmer, Kevin Kearns from King County will serve as Co-Chair. It was determined that the sub-committee would include staff from Department of Natural Resources, Department of Transportation, Department of Corrections and local law enforcement (that will be represented by the Washington Association of Sheriffs and Police Chiefs). This sub-committee will first define the problem and then work on solutions of the problem, including the use of alternative technology. A report will be given at the next JIC meeting on their progress.

Live scan acquisition - Dennis Hausman stated that 11 applications were sent in and all eleven were returned for additional information. The Live Scan Sub-Committee will be meeting to discuss the application and make a recommendation to the CJIA.

JIN web sight - Dennis Hausman stated the JIN web sight is up and running at www.wa.gov/dis/JIN.

Next meeting is scheduled for October 4, 1999.

Meeting Adjourned.
